In this book you will learn: Ways to lead, advocate and collaborate for achievement and success for all students. How to craft a vision statement, fine-tune your program focus and enhance the learning process for all students. Steps to determine the amount of time you currently spend in direct and indirect student services and various activities throughout the day and how to work with your administrator to get approval for the proper mix. Details about school counselor competencies and program assessments, helping you evaluate your skills and your program's effectiveness. How to measure program results and promote systemic change within the school system so every student graduates college-and career ready. Ways to analyze your current data, learn what it's telling you and act on your school's needs. Methods for demonstrating how students are different as a result of what you do.
